National Conference on Step Ahead in Research Methodology with Software Applications

(NCRMSA'19)

Date : 20-09-2019 Friday

Organized by

Department of Business Administration

Our Prestigious Institution

Wavoo Wajeeha Women's College came into existence in the year 2006-07 with the mission of offering quality education to rural women. It had a modest beginning with nearly nine programs of study in graduation level and three in post-graduation level. But, in due course of time our college has started showing its mark of excellence in various fields of academic and social activities, and thereby it has earned an enviable reputation. The college was started by philanthropist Alhaj.Wavoo.S.Seyed Abdur Rahman who, through his tireless social service for the sake of community, has won the admiration and respect of all. The founder has a very rich and varied experience in the matters connected to various fields of administration. Thanks to his dedicated services in different spheres of social life.

Department of business administration

Department of business administration was started in the academic year 2007-2008. The Business Administration program offered here aims at developing the students' intellectual ability, independent thinking, executive personality and managerial skills by providing them with a quality management education in order to enable them to participate and to gain success in the rapidly changing, interdependent and competitive business world. The program facilitates the students in understanding and

developing the unique leadership qualities required for managing business functions in an organisational unit. Our department encourages and promotes entrepreneurship skills among the students and helps them conduct experiments with novel ideas of business initiatives.

About the Conference

The research and innovation ecosystem in India at current scenario presents an important and significant opportunity for multinational organizations across the globe due to its intellectual capital available in the country. To address the challenges and opportunities in the field of research, software has enabled academicians and researchers to obtain valuable information from the data. Basic knowledge on SPSS, AMOS and related software packages are vital for all users before they proceed data analysis. This conference is for the beginners with little or no experience in SPSS, AMOS and likely software who want to acquire the skills and knowledge to get started with this software.

The programme aims to cover topics like Research design, understanding the basic functions of research like problem formulation, hypothesis making, sampling, literature survey, types of research- exploratory vs. confirmatory, data collection procedure, data editing, data analysis, use of SPSS or AMOS for data analysis, report writing, paper publishing in journals, thesis writing etc.

Resource Persons:

About Sales Fair

The primary goal of conducting sales fair is to expose students to inculcate entrepreneurial culture acquired through the Professional Strategic Selling.

Exhibiting their products at sales fair can be a great way to sell, promote their products and to know the market of demand.

Being involved in sales fair can provide business opportunities and create a customer database from the visitors.

This provides budding entrepreneurs with a platform to exhibit their entrepreneurial skills on handmade products, trading and eateries in a professional way.

Respected Sir/Madam,

Tri Department is very happy to inform you that we are joining hands with Entrepreneurial Development Cell conducting Sales Fair (V-Smart Managers '20) on 08th February 2020 near canteen. The aim of this program is to get the exposure of business world as well as to be smart in their attitude.

We invite all the staff members and students as a delighted customer to make it a grant success.
