INAGURATION

We, the department of Computer Science feel immense pleasure in documenting our progress and attainments for the academic year 2021-2022.

GUEST LECTURE

The APEX association's first event for the academic year 2021 – 2022 was held on 28/08/2021. The resource person of the virtual power seminar was Mr. Raj Arun, Coordinator, ICT Academy. He gave a lecture on the topic "**Career opportunities in python and its applications**".

Fig 1:Guest lecture on topic python and its applications (ANNEXURE 1)

The APEX association's second event,a virtual seminar was held on 09/10/2021 . The resource person of the meeting was Dr.M.Sujithra, Assistant Professor, Department of computing Data Science,Coimbatore. She gave an appealing lecture on the topic "**An insight into Data Science".**

Fig 2:Guest lecture on An Insight into Data Science(ANNEXURE 2)

ASSOCIATION COMPETITIONS

As a part of our association activity and in order to fortify the technical skills of the students, various competitions like Poster Presentation in Recent Trends, Software Marketing, and Web Page Designing were conducted for I CS, II CS and III CS respectively. **(ANNEXURE 3)**

Poster Presentation in any Recent Technology			
S.No	**Name of the Student**	**Class**	**Place**

Faculty Enhancement Activities

Staff members have shown their fanatical interest, to participate in faculty developmental programmes organized by reputed institutions. It would enable faculty members to update their research and pedagogical skills and to augment the academic and intellectual environment in the Institution.**(ANNEXURE 4)**

STUDENTS' EXCURSION

35students have been taken to Kodaikanalon 22.03.2022in order to promote their exposure in informal learning.

PARENT TEACHER ASSOCIATION

The PTA is playing a pivotal role in the efficient functioning of the college. On 28/02/2022, the PTA meeting was conducted. Parent's grievances were considered and they were assured of a solution as earlier as possible. The PTA is maintaining close relationship with the college and authorities to strengthen the higher education programs initiated in this rural area.

ACADEMIC ATTAINMENTS:

One of the incredible achievement of our department, is that our students have acquired following University Ranks.

2018-2021 Batch

S.No	Name	CGPA	Rank
1	K.Sornalakshmi	9.34	7

Thus the activities of our department lucratively came to an end with splendid accomplishment of our students and the dedication of our faculty members in imparting knowledge to the students.

DYNAMIC SEARCH SYSTEM FOR REAL-TIME DYNAMIC SEARCH AND REPORTING

Raj Arun

Senior IT Professional | Artificial Intelligence | Machine Learning and Deep Learning Specialist

Chennai

Summary

When I started my career in 2009, little did I expect to evolve into a capable Artificial Intelligence/Machine Learning/Deep Learning Specialist. I currently work as a Deep Learning Specialist with Standard Chartered Global.

Before this, I worked in TCS, developing and delivering projects for in house and client applications. One of the cornerstone accomplishments in TCS was adopting Federated Learning to provide a model to a client.

My stint with AI/ML started during my tenure with Accenture. Though I started working in different teams in Accenture, including ITSM, Change Management, and Business Continuity, I moved to develop AI/ML solutions in 2015.For one of Accenture's clients, I developed a Dynamic Search System for real-time query & reporting data,which won the First Prize in IDC Innovation Award for FY 2016 and secured a patent in the "Cognitive Analytics using AI/ML" category.

Committed to continued professional enhancement, I have completed
- Oracle Certified - Oracle Cloud Platform Data Integration 2018 Associate
- Oracle Certified - Cloud Infrastructure Architect Associate
- Oracle Certified - Cloud Platform Identity and Security Management
- Oracle Certified - Big Data Management Certification
- Automation Anywhere Certified Advanced RPA Professional
- AWS Certified Solutions Architect – Associate Level
- Neo4J Certified Professional
- Neo4J Graph Data Science Certified

Statement of Achievement

Presented To:

Nesa Agnes Bellinta A
Name

During the Cisco Networking Academy® self-paced course,the student has studied the following Skills:

- the universal concepts of computer programing (i.e. variables, flow control, data structures, algorithms, conditional execution, loops, functions, etc.)
- developer tools and the runtime environment;
- the syntax and semantics of the Python language;
- the fundamentals of object-oriented programing and the way they are adopted in Python;
- the means by which to resolve typical implementation problems;
- the writing of Python programs using standard language infrastructure;
- fundamental programing techniques, best practices, customs and vocabulary, including the most common library function in Python 3;
