Founder's Message

ASSALAMU ALAIKUM (VARAH).

Education is a continuous process through which inquisitive spirit is promoted, creativity is instilled, tolerance is cultivated, respect for labor is encouraged and productive workforce is developed. The meaning that education brings to life is remarkable. Education heralds a bright future for the society by bringing hope to the desolate, confidence to the faltering, prosperity to those who suffer from poverty.

Wavoo Wajeeha Women's College was started with the noble objective to provide world class quality education to the women, especially those who hail from rural background, in order to make them morally upright, spiritually sound, socially responsible, culturally sensitive, economically empowered and technically skilled.

Women's empowerment is crucial to the development of the Nation. Every educated woman at home becomes a role model for her family to look up to for inspiration and values. This is the spirit which has inspired me to proceed in the direction of my dream to contribute something to the cause of women empowerment and particularly to the development of Muslim women in our locality, who due to the denial of quality education, are socially, financially and educationally backward. We strive hard to ensure that the underprivileged sections of the society are educationally empowered through engaging them in meaningful activities which promote different levels of understanding and skills such as scientific, humanistic, artistic, mathematical, historical and aesthetic, and help them experiment with new ideas by transcending the limitations of time and space.

I wish you all the best. May Allah Bless You.

AL - FATHIHA

In the Name of Allah, the Most Gracious, the Most Merciful
Praise be to Allah, the Cherisher and
Sustainer of the worlds;
The Most Gracious, the Most Merciful
Master of the Day of Judgement,
Thee do we worship, and Thine aid we seek.
Show us the straight path,
The path of those, whom thou hast favoured,
Not of those who earn Thy wrath, not of
those who go astray.

(The Holy Quran 1: 1 – 7)

அளவற்ற அருளாளனும், நிகரற்ற அன்புடையோனுமாகிய
அல்லாஹ்வின் திருப்பெயரால் (துவங்குகின்றேன்.).

எல்லாப் புகழும் அல்லாஹ்வுக்கே !

அவன்தான் அகிலத்தார் யாவரையும் படைத்து வளர்த்து
தகுந்த வகையில் பக்குவப்படுத்துபவன்.

அளவற்ற அருளாளன்; நிகரற்ற அன்புடையான்.

தீர்ப்பு நாளின் அதிபதி.

நாங்கள் உன்னையே வணங்குகிறோம்: உன்னிடமே உதவி
தேடுகிறோம்.

நீ எங்களை நேரான வழியில் நடத்துவாயாக.

நீ எவர்களுக்கு அருள்புரிந்தாயோ அவ்வழி.

AUTHENTIC ENGLISH TRANSLATION OF THE NATIONAL ANTHEM

Thou art the ruler of the minds of all people,
Thou Dispenser of India's destiny.
Thy name rouses the hearts of the Punjab, Sind
Gujarat and Maratha, of Dravid, Orissa and Bengal.
It echoes in the hills of the Vindhyas and Himalayas,
Mingles in the music of the Yamuna and Ganga and
Is chanted by the waves of the Indian Sea.
They pray for Thy blessings and sing Thy Praise,
The saving of all people waits in Thy hand,
Thou Dispenser of India's destiny
Victory, Victory, Victory to Thee.

Vision, Mission & Objectives

Our Vision

To provide quality higher education to all girls irrespective of caste or creed, especially those from the rural area and hailing from disadvantaged sections of the society such as the Muslim and other minorities and also other weaker underprivileged groups so that they become highly qualified, morally sound, socially disciplined and technically competent individuals.

Our Mission

To offer programmes at various levels including Certificate, Diploma, Degree and Postgraduate courses and to promote research, both pure and applied and also to provide extension services.

You who believe! Let not some men among you laugh at others; it may be that the latter are better than the former ; nor let some women laugh at others : it may be that the latter are better than the former. Nor defame nor be sarcastic to each other, nor call each other by (offensive) nicknames

The Holy Quran 49:11

Institutional Objectives

- ★ To provide quality education which ensures a comprehensive understanding of universal principles and human values which define academic standards.
- ★ To inculcate in the minds of youth, a spirit of questioning which is the basic ingredient of all scientific investigations and experiments.
- ★ To ensure effective communication skills in our students so as to help them become employable.
- ★ To bring out different dimensions of skills and talents through engaging them in appropriate curricular, co-curricular and extra-curricular activities.
- ★ To produce competent workforce which is equipped to face tomorrow's challenges, and to set the trends for others to follow.
- ★ To instil in the youth a genuine respect and regard for all irrespective of caste, creed, religion, region and sex.
- ★ To initiate a life-long journey of education through exploration.
- ★ To contribute to the nation through selfless service and sacrifice.

Significance of our Emblem

The emblem of the college is artistically designed and aesthetically structured to accommodate the vision of our founder. The image of **'BOOK'** in the emblem is suggestive of the universally accepted truth that 'reading' is what distinguishes man from other creations and, it elevates him to a height of excellence in life. The elegantly presented **'PALM-DATE'** is indicative of eternal peace and spiritual victory that follows through man's total submission to the will of The Almighty. The **'CRESCENT'** is a manifestation of 'power of knowledge' or 'light of wisdom' which dawns on an eternal seeker of truth. The **'SATELLITE DISH'** pictorially represents the application of the tools of science and technology which facilitate the process of information in order to make human life comfortable and enjoyable. The three key words, **'WILL'**, **'WISDOM'** and **'WORSHIP'** are the three different stages which lead a man to reach his destiny. The 'will' is an individual's involvement in the journey of education, 'wisdom' is what is obtained as a result of a comprehensive understanding of education, and 'worship' is the total submission of an individual to the ultimate **WILL** of The Almighty, and which is the end of all processes of meaningful education.

Genesis of the College

A journey towards excellence

History

Wavoo Wajeeha Women's College came into existence in the year **2006-07** with a noble mission of offering quality education to rural women, particularly to Muslim women in our locality. It offers nine programs of study at the graduation level and three at the post-graduation level. The college has been showing its mark of excellence in various fields of academics and social activities, and has earned an enviable reputation of offering quality education.

The college owes its origin to the renowned philanthropist **Alhaj. Wavoo. S. Seyed Abdur Rahman**. Through his tireless efforts and consistent hard work, he has given shape to the college. With his vast experience, keen insight and deep thinking he has been able to gauge the need of the people for a college that can offer quality education equitably.

The college which was started with a meagre strength of 124 students and a total of 12 Staff members in 2006 has grown steadily by leaps and bounds and at present it has an impressive students' strength of nearly 1500 enrolled in various disciplines of Arts and Science, both at under-graduate and post-graduate levels. There are more than 72 teachers, and above 46 members of non-teaching and support staff in the college now.

The college and its vision

Wavoo Wajeeha Women's College is dedicated to the development of women in rural area and more specifically of the Muslim women, through providing them with a kind of education which helps them become morally upright, culturally enriched, socially responsible, intellectually sound and technically competent. This process is expected to bring in new meaning to the lives of the women, new dimension to the values of education and new direction to the journey of life.

Wavoo SAR Educational Trust

Wavoo Wajeeha Women's College of Arts & Science is run by Wavoo SAR Educational Trust. The Trust was founded in the year 2005. It is a registered body. It has a rare distinction of having been able to manage several developmental activities through meticulous planning and effective execution. The religious and secular schools run by the Trust promote universal values. Liberal assistance is granted to the students through different schemes. It has a Board of Trustees headed by Alhaj. Wavoo S. Seyed Abdur Rahman.

Location and Locality

The college is majestically located in an impressive landscape of five acres of land, which offers an ideal environment for learning, just a couple of kilometers away from Kayalpatnam. The locality is home to rich cultural diversity. It includes historical Mosques and Monuments at Kayalpatnam, the internationally renowned St. Thomas Church at Veerapandianpatnam and the famous Hindu temple at Tiruchendur. Because of the strategic location of the college, it has become a place for the convergence of cultural and social plurality. The aesthetically designed structure of the college is a faithful reflection of the imagination of our founder, who has long cherished the idea of a unique college in our area.

Education of Women

No nation shall truly become developed unless and until the women in the society are equally empowered. The emphasis of women liberation through education does find its continuous echo in the mission and vision of the college. This college is specially dedicated to the service of Muslim women of the locality, who are otherwise backward because of their inaccessibility to quality education. The life-changing education that the college is determined to impart is expected to bring light to the lives of many by driving away the darkness of ignorance and all other forms of ills which plague our society.

Library

The College Library offers a rich source of information which is expected to quench the thirst of knowledge of the students and staff. It is located in a spacious hall. Magazines, periodicals, dailies and journals are subscribed to. The ambience created in the reading room inspires the students and staff to spend their quality time in updating their knowledge, refreshing their memory and contributing to the culture of quality. The books which number around 8245 are culled from wide ranging subjects of academic interests. The students and staff enjoy the benefits of having access to digital library too, which offers free access to the world of knowledge and information to satisfy their academic demands and needs.

Computer Lab

The college, in its attempt to have the benefits of technology for effective learning, has 3 well-designed air-conditioned computer laboratories with more than 100 computer systems at the disposal for the use of students. These systems are well-maintained. The latest and original software is installed.

Our President

Our **founder President Alhaj. Wavoo S.Seyed Abdur Rahman** with his deep sense of realization of the educational needs of the women in our area, more particularly Muslim women, established this institution in all its grandeur. This college, a shaped dream, a chiseled vision and an expressed commitment of the founder, has become an ideal destination for girls who are determined to reach excellence in their life, and this rare distinction has been made possible, thanks to the tireless efforts of the founder to take education to the doorsteps of the needy and poor. Dedicated to the cause of development of the society, our president extends his patronage in a humanitarian zeal to several educational institutions, and he is a patron and also one of the founder members of the Managing Committee of **Sadakathullah Appa College of Arts & Science, (Autonomous)** Palayamkottai, Tirunelveli.

The Secretary of the College

Haji W.M.M.Mohuthazeem. B.A.,(C.S), Secretary of the college, has been toiling very hard to translate values and ideals contemplated in the vision and mission statement of our college into a reality. He is committed to excellence, efficiency and perfection. The dedication that he demonstrates towards understanding the day-to-day affairs of administration, perseverance in getting tasks completed and effectiveness in administration merit appreciation.

The Assistant Secretary of the College

The Assistant Secretary **Haji Wavoo S.A.R. Ahmed Ishaque Aalim M.A. Azhari, (Egypt)** is a dynamic administrator. He cares for quality education and endeavors to ensure the required standards at all levels with practiced effortlessness. He is a hafiz, one who has memorised the whole Quran. Moreover, he has a Master degree in Arabic from **world's leading University, Al-Azhar, Egypt**. The University at Cairo is the seat of Islamic culture studies and Egypt, a cradle of Islamic civilization. This has exposed him to the rich cogglomeration of cultures of the West and the East, and enables him to integrate into the education system the best synthesis of values of science and religion. The attempts that he makes towards understanding the complex nature of college administration reflect his confidence, courage and conviction.

Administrators

This college is proud to have some of the most outstanding administrators, who are academicians par excellence in their chosen field of expertise, and whose insights into the intricacies of administration are to be cherished for long. **Dr. Mrs. J. Ellora M.Com., M.Phil., Ph.D., retired Principal** of the college had been the guiding star of the institution to the pinnacle of success through her meticulous planning and erudite scholarship. The Management, the staff, and the students of this great institution warmly welcome **Dr. Mrs. R.C.Vasuki, M.A., Ph.D., DGT.** the learned and experienced both in teaching and administration has assumed charge as the Principal from 01.06.2018. **Dr.Mercy Henry M.A.,Ph.D.** our former Principal has been right now rendering her services as **Director** and whose management skills both in academics and administrative matters deserve to be appreciated. We fondly remember with gratitude the valuable services of a veteran Professor **Late.Dr.M.Kamsa Mohideen M.A.,M.Phil.,Ph.D.** who served in our college as an **Administrative Officer** for a long time until his last breath and whose contribution to our institution is gratefully remembered.

Faculty

The backbone of any educational institution is the team of dedicated and competent teachers. The quality that a college aspires to promote is evaluated in terms of how each of the classes conducted is reflective of the quality expected. The teaching faculty is the main source of strength of our college. They have considerable experience in teaching, training and research activities. They are well qualified, talented and experienced in teaching. Their relentless efforts to provide meaningful education, their dedication to advance the mission of the college and their commitment towards promoting quality deserve respect and admiration. The students are encouraged to make the best use of the institution to imbibe the values of our civilization and culture, and also to learn the skills required to face the challenges of life and help them become talented, disciplined and productive citizens.

May Allah help us realize our vision and translate our dream into a reality.

“You who believe! Do not enter houses other than your own, until you have asked permission and saluted those in them ; that is best for you, in order that you may heed (what is seemly).

If you find no one in the house, do not enter until permission is given to you. If you are asked to go back, go back. That makes for greater purity for yourselves. And Allah Knows well all that you do.”

Amenities and Facilities on the Campus

Canteen

The college maintains a canteen on a contract basis which is subject to renewal upon the satisfaction of the college management. It provides snacks, breakfast in the morning, lunch in the afternoon, bottled drinks and other refreshment items which are sold at a reasonable rate. Needless to say that the canteen offers good quality food at reasonable charges. There is a spacious hall for the staff and students to relax and enjoy while having their food. Every item sold in the canteen is supervised by a quality control officer of the college on a day-to-day basis. There is a complaint/suggestion box placed at the entrance of the library wherein the students may drop in their complaints/grievances/suggestions related to food or service provided in the canteen.

Stationery Shop

The college runs a stationery shop which sells all sorts of stationery items from sheets of papers to pens, pencils, erasers, markers, notebooks and other such items. It provides the students with photocopying facilities too. The students can take photocopies of their study materials or text books (subject to fair use policy) or documents on payment of a nominal charge. This shop sells wide varieties of food items such as biscuits, cakes, cool drinks, ice-creams, chocolates, toffees, and other such items at a reasonable price.

Prayer Halls

There are two halls exclusively allotted for the purpose of prayers. They are properly maintained to preserve the sanctity and sacredness. They have all the facilities required.

Emergency Services

The college administration takes utmost care in maintaining the campus a safe and secure place. We have a fleet of vehicles at our disposal to face any emergency situation. The college has an understanding with the **KMT (Kayal Medical Trust) Hospital**, which is just a kilometer away, to respond to medical emergencies. The college also has provisions to offer First Aid to the students. There is also a rest room which is easily accessible for students and staff to take rest in the event of any medical/health exigencies.

Discipline

The following disciplinary rules are framed by the management in conformity with the university academic policy in order to administer the college affairs effectively, and the rules are subject to review and change as and when required by the management.

1. Students are expected to be polite, courteous and respectful while interacting with staff members.

but whoever hates correction is stupid*

Payment of fees

1. The students are to pay fees as per the following schedule.
Last date for paying the fees :
 - ❖ Odd semester is 16th July 2018
 - ❖ Even Semester is 31st December 2018
2. If the fees are not paid before due dates, then the students' names will be removed from the record.
3. The students whose names were struck off from the record have to apply for re-admission after paying a re-admission fee of Rs.250/-
4. The student will not be given the credit of attendance during such period.
4. Fees have to be paid only in the college counter between 9.30.A.M and 3.30 P.M. and every payment has to be acknowledged with a receipt with a college stamp.
5. The students are expected to keep all the fees receipts as proof of payment till each semester end.

End Semester Exams

1. There shall be two end semester exams every year.
2. On the payment of all the arrears of the fees the student will be given 'no due' certificate by the office and on the production of such certificates hall tickets will be issued.
3. A detailed report of the students' performance in the semester examination along with the attendance put in by the students will be sent to the parents.
4. In the event of the performance of the students being unsatisfactory the parents shall be asked to meet the principal or HOD or the counsellor for appropriate academic intervention.

Internal Exams

1. Three internal exams for 20 marks each are conducted for every semester, and the average of the best two marks will be taken for consolidation.
2. The students shall be given two assignments, one class assignment and one home assignment each for 5 marks. The average of the assignment marks for 5 will be added to the test marks of 20. The total consolidated internal marks will be $20+5=25$.
3. Apart from this test, there shall be a model examination conducted for every semester before the university examination.

Rules concerning Documents/ Certificates

Bonafide Certificate

This certificate serves as an official record of the student's enrolment in a program of study. The students who are desirous of applying for the same may do so by paying the prescribed fee of Rs. 20/- and the certificate may be issued either the same day or a day after.

Conduct Certificate

This certificate will be issued only upon completion of the course subject to the condition that the candidate's conduct is satisfactory. Students can't apply for this certificate during the course of study. The students may make an application for both Transfer certificate and Conduct certificate immediately upon the completion of the program.

Transfer Certificate

A student who applies for the Transfer certificate should pay the nominal fee of Rs.200/- in the office. A separate application is available at the office for TC and Conduct Certificate. But, before applying for this certificate, the student is required to clear all the dues from the college and a 'no-due' certificate obtained from college office duly signed by the officer of the department concerned, library, Head of the Department and office is also mandatory.

Instructions to Student Passengers

The management for reasons connected to safety, security convenience and comfort requires all the students who are admitted in the college to avail of the transport facility provided by the college. The college has a total of 14 buses and vans ferrying students from different places in and around Kayalpatnam. The residents of Kayalpatnam could avail this opportunity from any corner of the town on payment. Our buses ply in various routes covering a radius of around 40kms.

The transport charges are fixed based on the distance between the campus and their respective places of residence. Application forms to avail transport services can be obtained from the office by paying a nominal fee of Rs.10/-. The college administration expects the students to be decent and well-behaved during their travel to the campus. Details of the bus fees can be had from the office.

1. Bus fares have to be paid in advance.
2. Students are expected to be ready at the boarding point at least 5 minutes before the fixed time of the arrival of vehicle.

3. If any student misses the vehicle, then she has to make her own arrangement for transportation to the college.
4. On no account fees once paid for transport shall be refunded.
5. Students are expected to show their Identity Card on demand.
6. Students are expected to behave well inside the bus and their behaviour should not in any way damage the image of the college.
7. Bus fees are subject to change from time to time depending on the factors related to fuel price /Road Taxes etc.
8. College vehicles are run on no-profit and no-loss basis and so the transport fees are determined by the factors like distance and fuel price.

Excursion, Study Tours, Field Trips and Industrial Visits

2. The college may organize excursions, study tours, industrial visits and picnics. The students are required to join them.
3. Students are not permitted to organize excursions, tours or picnics on their own.
4. The itineraries related to excursions, tours, picnics or industrial visits have to be approved by the principal.
5. Students who want to join such programs should obtain permission and consent from the parents in the prescribed form.
6. Students going on tours should take care of their belongings. They are advised not to bring costly jewellery. They may deposit their money with the teacher coordinator.
7. Students wearing jewels do so at their risk. In the event of theft or loss, the management cannot be held liable.

Quality Circle

The College has established Internal Quality Assurance Cell (IQAC) with the objective of defining, promoting and sustaining quality through periodical reviews, developmental interventions and evaluation mechanisms. It hopes to create an environment which is conducive to the development of quality education by following standard procedures, recommended by NAAC. It encourages self-evaluation, accountability, autonomy and innovations in teaching and learning activities, and it proposes to work towards enhancing quality as defined in the quality statement through continuous interactions with various stakeholders.

The primary objectives of the IQAC are as follows:

1. To develop and promote a system in our college which ensures quality in academic and administrative performance through continual evaluation and upgradation by involving all the stakeholders.
2. To bridge the gap between quality concept and quality culture through interventionist measures and mechanisms.

Functions

1. IQAC established in our college develops and maintains benchmarks / parameters for various academic and administrative activities of our institution.
2. It attempts to create a learner-centric environment which is an essential condition for promoting quality and empowers our faculty to adopt required technology and techniques for participatory teaching and learning process.
3. It encourages our students, parents and other stakeholders to contribute to the development of quality through their feedback on academic and administrative process.
4. It prepares Annual Quality Assurance Report (AQAR) as per the defined guidelines and parameters of NAAC to be submitted to NAAC.

4. It prepares Annual Quality Assurance Report (AQAR) as per the defined guidelines and parameters of NAAC to be submitted to NAAC.

Developmental Intervention Programs

With the sole intention of reaching out to the students who are slow-learners and to help in their process of education, Wavoo Wajeeha College for Women introduces several programs under “Developmental Intervention Programs”. They are listed as follows:

Bridge Course

This course is offered at the entry level in order to give an orientation to the **first year students** to facilitate them to understand the complexities of college education and to brief them about the standards of quality expected and participation solicited. This course is conducted for all the groups of the students in first year for a **period of five days**. The course covers basic components which are considered preequisites for the students to understand and follow classroom lectures with greater degree of confidence and comfort. Though primary focus is on English language development, the course seeks to cover many fundamental aspects of the other subjects such as Tamil/Arabic too. Besides this, our college gives intensive training in different technical streams so that students will be brought to a level of understanding with which they can participate and perform in successive classroom interactions effectively.

Remedial Coaching

Remedial coaching has been introduced in our college to **assist the slow-learners** to help them in whatever way possible to bring the latent talents out and dormant skills explored. This is an intensive training which is offered in different subjects by the departments concerned. The student advisors are expected to identify such students who require special care and attention based on their performances in the college and university examinations and the same shall be reported to the subject teachers. These programs include both tutorials and intensive training. The students are expected to make use of this program in their best interest of education.

Students Counselling Body

Students are subjected to multiple influences and those get reflected in their studies and their participation in other academic activities. We, at Wavoo Wajeeha Women's College believe that every student is unique and capable of contributing her uniqueness to the betterment of the society. But, unfortunately the factors which interfere with the performances range from personal to social. Such factors have to be identified and appropriate measures have to be taken to encourage the students to bring their best out. The student counsellors interact with the students on regular basis through various programs and developmental activities. Such initiatives offer chances to the students to open up and to have heart to heart talk with the counsellors. Apart from counselling, the college arranges classes and training sessions by professional counsellors at regular intervals. This interaction is expected to yield significant results.

Advisory System

The Advisory System maintained in our college helps the teachers have a comprehensive understanding of the students' background. Every class has been allotted to an Advisor who is expected to have all information related to students' personal data, academic profile and information related to students' interests and participation index in several other activities. The Advisor keeps tracking the academic record of the students until they graduate from the college. The advisor plays the role of a friend, in listening to the problems of the students, a philosopher, in offering them knowledge and values, and a guide, in channelizing the efforts and energy of the students towards academic developments. The advisor, at the end of the course, based on her interactions and observation, provides every out-going student of her batch with a General Proficiency Certificate which reflects students' participation in academic activities, creativity, inter-personal relationship, attendance, leadership qualities and other academic initiatives.

“He has created cattle for you; you derive warmth from them and numerous benefits and of their (meat) you eat.

And you have a sense of pride and beauty in them as you drive them home in the evening, and as you lead them forth to pasture in the morning.

And they carry your loads to lands that you could not (otherwise) reach except with souls distressed. Your Lord is indeed most kind and most merciful.”

Associations, Clubs, Forums, Cells and Committees

Association Meetings

Every department conducts its Association Meeting at regular intervals or as decided by the HOD in consultation with the Principal. In these meetings normally guest lectures are delivered by the experts invited from outside, and in some special cases training classes or workshops may also be arranged. Also, students have to be constantly motivated in such meetings to participate in the continual process of learning. Every department is expected to document such meetings and the same shall be submitted to the Principal periodically. Every Association Meeting features certain academic programs to encourage students' participation. The students who have participated and demonstrated their academic talents impressively shall be honoured with certificates, prizes and in some cases cash awards by the college management.

Alumnae Association

Alumnae Association is formed with an objective of having continual engagement with the graduates of our college in activities connected to **academic and social developments**. Every student who passes out of the college becomes a member of the Association. The office bearers of this Association are elected according to the procedure contemplated. The Association meeting is normally conducted once in a semester unless otherwise required as per the demands of the context. The primary objective of this Association is expected to build a bridge of interaction between the present students of the college and those of the past in order to share the expertise, exposure and experience in expanding the boundaries of understanding in mutually beneficial manner which is expected to offer our present students' perspectives required for success in personal and professional life.

Objectives

1. To offer suggestions/recommendations in academic matters in the best interest of quality education and to offer assistance as required.
2. To involve in various social welfare programs in collaboration with the college through forming a chain of Self-Help Groups.
3. To offer a helping hand to students who are economically backward by providing them with scholarship or any other form of assistance in consultation with the management.

Parent – Teacher Association

This Association facilitates meaningful interaction between the teachers and the parents in the spirit of shared responsibilities. The frequent interactions the Association organizes help the teachers understand the reality of expectations, and also help the parents to understand the role they are expected to play in the context of continual demographic changes. This Association is a reflection of the trust that the parents have on our system and the faith that the teachers have on the parents. It addresses all sorts of issues and needs which arise out of multiple contexts of education. The defined objectives of the Association are as follows:

1. To explain to the parents the challenges faced by the teachers while imparting education.
2. To encourage the participatory role of the parents and make them realize their roles and responsibilities.

3. To conduct frequent activities of interaction with educationists /social scientists/ intellectuals/ and professional counsellors to enlighten the parents and teachers about parenting and other connected issues.

Placement Cell

Placement Cell has been established in Wavoo Wajeeha Women's College to meet the emerging needs of the job market and to equip our students and particularly women students with the skills and competencies required to reach excellence in professional life. It seeks to evaluate the present scenario existing in our context and it offers a well-defined road map which gives the students a sense of direction in their career path. Being inspired by these values and commitment to the cause of national development, Wavoo Wajeeha Women's College has started Placement Cell

Training Activities

1.Communication Skills

Communication is listed as the most important skill. Interpersonal communication skills are very important for a graduating student to possess. Ability to communicate effectively in a language of choice is of paramount importance. Most employers want their hired graduates to be able to follow instructions, speak clearly, give clear instructions and make effective presentations. Wavoo Wajeeha Women's College designs and develops special programs to address this need to empower the graduating students of ours with required skills in Communication.

2. Mock Interviews

Our college offers the students real-life experience in facing interviews. We arrange periodical mock interview sessions for all our final year students and introduce them to the skills required for such sessions. We try to rope in the experts in the field along with our trained teachers for conducting these sessions effectively on campus.

Before appearing for interview, the students will be given orientations in preparation of resume, cover letter, documentation skills, body language, dress sense and etiquettes in communication. On the days identified for such mock interview sessions, students will have to come prepared for interviews. On arrival, they will be divided into different groups and placed before interview panel. The panel members, who are professional trainers or expert teachers, will observe the responses of the students, their mannerism, confidence level and attitude and will give a detailed report on each of the students after the whole mock interview session is over. This report will help our students realize where they are and will offer them opportunities for further developments. The students will also be given a detailed list of the interviewers' favourite questions and sample responses to each of those questions. Such developmental interventions are expected to increase the confidence, reduce the stress levels and maximize the chances for favourable consideration from employers' perspectives.

Sports Club

Education becomes incomplete without proper training of body and mind. Our college believes that for a comprehensive education we need to encourage various sports and games and the students' involvement in such activities is expected to increase the

academic performance as well. Sports and games bring all the students together under one roof, irrespective of all the barriers and teach them values which are universal. The students are trained to face life as a challenge and to treat success and failure as two sides of the same coin. Every game has a rule and it needs to be played only according to the rules. These values promote tolerance, perseverance, honesty and devotion.

The sports committee is expected to influence the students by offering them various opportunities of participating in sports and games. The college has a full-fledged department for physical education and the sports committee works in tandem with them. The students of our college are divided under several houses in order to promote a healthy competition in sports and games.

Our Students shine in sports and games not only at the college level but at the University level too. Students had participated in the Mini Marathon conducted by various agencies in and around Thoothukudi District, apart from the Mini Marathon conducted by the M.S. University, and won prizes and certificates creditably. Our students also actively participated at the inter collegiate tournaments and win accolades laudably.

Staff Club

The staff club of our college aims to bring the members of our staff under one roof through various activities of sports and games. The members of the staff develop better understanding of one another which helps them in the process of professionalism. The increased interaction through alternative engagements of this kind does have an impact on the physical, psychological and social well-being of individuals. This club organizes regular staff activities to open up floor for discussion on several matters which concern the field of education also.

The general objectives of the club are as follows:

1. It aims at inculcating the spirit of oneness among the members of the staff.

2. It encourages the staff to participate in physical activities such as sports and games for the healthy campus life.
3. It finds ways and means to help the staff to deal with stress, anxiety, loneliness or any such feeling which is detrimental to the healthy campus life.
4. It also organizes lecture sessions or training sessions on promoting efficiency in professionalism.

Students' Council

Students' Council is an important organ of the administration which reflects on the issues from students' perspectives. Wavoo Wajeetha Women's College is of the firm belief that students have to be given training in leadership qualities, and they should be exposed to the challenges of administration. This activity is expected to promote greater degree of interactions among the students in the interest of education. Democratic values such as tolerance, diversity, civic sense, respect for others, belief in co-existence and regard for consultative process are promoted through engagements in students' council activities. In short, it is an attempt to prepare students to participate in the democratic process with a greater sense of responsibility and devotion, and this process strengthens our democracy in the long run.

The objectives of the Council are as follows:

1. The elected members are expected to work in the best interest of students without causing any damage to the purpose of education or hindrance to the process of education.
2. The elected members' term shall last for only one year and there shall be election to the post every year.

3. The Council shall take up only the issues or problems connected to the well-being of the students and particularly in the interest of education.
4. The Council shall keep the college administration informed about all such meetings and decisions taken in writing.

Editorial Club

Editorial Club of our college is formed with an objective of introducing our students to the responsibilities and challenges involved in editorial tasks, and thereby promoting editorial skills and desk work required for preparation of college magazines and newsletters. The members of the club collect information related to the student developmental activities conducted in different departments, the students' achievements in various events conducted at intra and inter collegiate levels and student events organized periodically or any other such events organized within the campus. The information obtained will be analyzed, organized and structured in order to publish in the College Magazine which is released once a year or in Newsletters which are released twice a semester.

Press Club

This club is formed with the objective of having better interaction with the media and public. The college normally conducts several activities and programs. These programs and activities are to be documented by Press Club on time and the same shall be sent to the media after obtaining due consent from the college administration. Press Club forms a bridge between the media and the college and it has a significant role to play in creating a positive image on the minds of the public through dissemination of information.

Entrepreneurial Development Cell

We have established Entrepreneurial Development Cell in our college to encourage our students to have constructive experiments with their ideas through the individual initiatives, and through organizing social or economic mechanism to turn resources and situations into practical account and also to encourage them to take calculated risk while they are advancing in the direction of their dreams. We organize regular seminars/ workshops/ training sessions to develop entrepreneurship skills of women in order to empower them with the skills and inputs required so that they will continue their march towards excellence independently.

Entrepreneurial Development Cell has been formed in our college in order to meet their following objectives. They are:

1. To initiate our students into the world of Entrepreneurship by introducing them to new business ideas, changing economic contexts and novel business plans.
2. To seek economic independence of women through bringing out entrepreneurial skills via meaningful education.
3. To have collaboration and partnership with different government and non-government agencies to promote entrepreneurial skills amongst the students
4. To arrange vocational training in jewellery making, arts & craft works, tailoring and other related areas in order to ensure the process of self employment and economic liberation.

Partnership Programs with ICT – Information & Communication Technology

Wavoo Wajeeha Women's College has been an associative member of ICTACT, Tamil Nadu since the academic year 2011-2012. Thanks to the educational initiatives of the ICT Academy, our members of staff are frequently getting trained in technical skills and such training shall be, in turn, imparted to our students. For the past three years intensive training programs have been arranged for our staff members in the areas such as Web development by using .NET technologies, Cloud computing, Grid computing and other related technical training from industry perspectives. These trained staff members impart such technical skills to the students of Computer Science and Information Technology. Through this educative engagement the students of our college are exposed to both theoretical and practical knowledge, and **ICT has given course certificates to the students trained** in the process and such students enjoy better chances of being considered favorably by the industries.

Research and Development Cell

Research and Development Cell has been started in our college in order to encourage the research activities in the wider interests of the society. The college extends financial assistance for research publications and constantly motivates the staff to explore and extend the horizons of their chosen field with academic spirit and responsibility. We conduct regular interaction programs with the experts in the areas related to Research Writing, Research Methodology, Ethics in Research, Data interpretation, and Documentation formalities. The objectives of R&D Cell are as follows:

1. To facilitate the research process by orienting both the students and staff into the intricacies of research.

2. To offer financial assistance for substantial research publication in referred /peer-reviewed journals with ISSN numbers.

Women Development Cell

Women Development Cell has been established in our college with a view to promoting the skills, competencies and talents of women towards their economic independence. It organizes periodical training programs in creating awareness about women's rights and responsibilities. The programs organized by this Cell attempt socialization of progressive activities and attitudes for stimulating women's growth and such activities have yielded good results in social levels. It also focuses on increased women participation in social developmental activities. Student of Wavoo Wajeeha Women's College , thanks to our initiatives through Women Development Cell are found to be equipped with the skills required for the generation next.

Anti-Ragging Committee

The college is committed to ensure a peaceful campus wherein there is respect for fellow students, regard for teachers, and adherence to rules and compliance with code of conduct. Students have been advised through various interventionists programs to refrain themselves from activities which may amount to ragging. The college has formed a committee exclusively for the purpose of preventing instances of ragging and educating the students about the nature and consequences of the act called ragging. The college, in compliance with the directions of the Hon'ble Supreme Court of India vide its order dated 16.05.2007, has been implementing the rules and regulations for prevention of Ragging.

1. Ragging is broadly defined as any act that prevents, disrupts or disturbs the regular academic activity of a student. It also includes exploiting the services of a junior student for completing the academic task assigned to an individual or a group of seniors. It has several aspects such as psychological, social, political, economic, cultural and academic dimensions.
2. Ragging also includes teasing others for fun or poking at others by using words of abuse or insults which may damage an individual's sense of self-worth.
3. Any act of financial extortion or forceful expenditure burden put on a junior student by senior students may also be called an aspect of ragging.
4. Any act of physical abuse including acts related to sexual abuse, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person can also be called ragging.

5. Any act of abuse by spoken words, emails, blogs, public insults should also be considered ragging.
6. From human rights perspective, any attempt made to cause damage to life, dignity, self-respect or any other act which threatens the life and dignity of the individuals may also be called an act of ragging.

Disciplinary Action Committee

This committee is formed with the sole purpose of maintaining discipline and order on the campus. The college campus is administered in a systematic manner to ensure efficient learning in an atmosphere of peace, safety and security. Any attempt to violate the atmosphere of peace shall be viewed very seriously. The reports of violations of college discipline rules, willful disobedience, attempts made to cause damage to life or property and any other acts which vitiate the peaceful academic environment of the college shall be reported to the Disciplinary Action Committee. The committee shall take appropriate decision based on the nature and gravity of such acts and suggests ways and means to stop the recurrence of such acts.

When a student violates the rules of the college, based on the severity of the act, the student shall be summoned by the committee and asked to offer explanation in writing, and even after submission of such an explanation, if the student does not show any sign of regret or still continues the willful act of violation, then the same matter shall be reported to the parents. Even after all these attempts, if the same student continues to act in open violation, then the matter shall be viewed very seriously and on the advice of duly appointed committee that student may be removed from the roll of the college.

Grievance Redressal Cell

This has been established to give a voice to the students and teachers to express their concerns and grievances. The college is dedicated to create a peaceful environment on the campus for all the stakeholders to learn and to enjoy the process of learning. The grievance cell objectively looks into the complaints received from the teachers and students and addresses them properly by following the procedure stipulated.

Value Education Cell

We, in Wavoo Wajeeha Women's College, believe that the meaning of human life is ascertained in terms of the purpose which influences it. Life, in philosophical term 'is an opportunity' granted from The Almighty, and what an individual is going to do with it is 'the purpose' which brings meaning and value to her. In order to realize the purpose of life, and to reach the destiny, an individual needs to be aware of the stages and steps which enable her to reach what she is destined to reach. For this great purpose, Education plays an important role. Education is not mere reading of books or learning of facts and figures. It is a value-oriented education which begins with a quest of exploration of meaning of life and ends in the delight of self-realization.

In order to realize such an ideal vision of education we provide in our college a kind of education which results in integrated understanding of life. We initiate a meaningful engagement process through bringing our students and staff on the common platform to involve in sharing the common values which inspired Humanity for generations. Representative pieces of texts on Human values defining moral and secular principles are imparted regularly. This

program is offered two days a week either in the morning before the beginning of our class activities or in the evening after our classes are over as per the mutual convenience of the students and staff.

Moral Classes

Moral classes are integrated into our system in order to impart universal values of peace and tolerance to students of different faiths. We try to offer through these classes a perspective which is destined to help all our students to create a culture for caring and sharing. The teachers who handle these classes represent wide variety of cultures that our nation is proud of. Our students are placed in such a vantage point through which they get insights which are deeper, wider and broader related to life and the challenges it unfolds. It facilitates our students to become morally strong, culturally aware and socially responsible.

Deeniyath Classes

These classes are intended to help the Muslim students in understanding the core values of Islam. This understanding is expected to expand the horizon of understanding of the world that we live in, and to influence the students to imbibe the best values of Humanity that Islam promotes such as respect for others, promoting peace and tolerance, service to the cause of poor, moral regulations. God consciousness and spiritual peace and contentment. These classes are conducted by our qualified teachers who have got relevant experience and exposure to Islamic studies. All the Muslim students are expected to make the best possible advantages of these classes towards reaching their ultimate goal of education.

Readers' Forum

Readers' Forum of our college is established with a view to promoting reading skills among our students. The members of the forum organize open meetings wherein they invite the students to share with one another their experience of reading something interesting, informative, educative or entertaining. The forum encourages wider participation of the students and arouses in them a passion for reading. The material chosen for reading by students will have to be approved by the coordinator based on the content, relevance, suitability and other readability factors. This forum gives a chance to the students to appear on stage to have an experience of reading something which they believe worth sharing and that experience is destined to give confidence, courage and competency.

The objectives of the forum shall be as follows:

1. To encourage students to read beyond the prescribed text books.
2. To engage the students through discussions on different topics in order to provide them with a world view.
3. To encourage the students to open up to discussion in any formal situation and to participate with required courage and confidence.

Writers' Forum

Wavoo Wajeeha Women's College has established Writers' Forum in order to bring to light the talents of the budding writers and introduce them to the world of writing. It invites creative works represented in the form of writing, paintings, arts, or any other projections of literary or critical value. The forum proposes to publish a manuscript and for which it invites essays, short stories,

anecdotes, puzzles, funny incidents, jokes, useful tips and any other similar items of interest. Such collected contributions will be screened by the forum members and based on the quality they will be recommended for inclusion in the Manuscript Magazine run by the forum. Also the forum conducts periodically writing competitions in both Tamil and English languages.

The objectives of the form are as follows:

1. To encourage students to develop the skills in writing essays, poems, articles and other activities such as painting, arts and cartoons.
2. To publish a manuscript magazine from the forum once in a semester.
3. To conduct essay writing or verse writing competitions in both English and Tamil.
4. To impart training in the art of writing through workshops/ training sessions and this may be conducted once in a semester.
5. To invite writers of different fields during frequent intervals to have an intellectual engagement with the students.

Youth Welfare Forum

This forum has been started in our college to encourage creativity and innovations of our students which normally get reflected in students' participation in varied activities. The college is dedicated to engage the students in novel ways in order to cultivate in them a wide variety of skills which include cultural, social, technical and educational and to present them to the public as expressions of excellence. The college organizes once in a year a grand culture festival called '**Lolly Fiesta**' which show cases the best talents

representing different fields and facets. The skills which our students have acquired during their stay in our college are brought to the stage which demonstrates the fact that we offer such insights and training to the students which help them excel not only in academics but also in different other fields connected to culture activities, culture engagements, social engagements, extracurricular activities and fitness training. The vast range of culture programs numbering around 35 reflect multitudes of talents in-built in our students and our culture festival is intended to give 'an identity and recognition' to such skills and talents.

The objectives of this forum are as follows:

1. To bring the latent talents out by engaging our students in various co-curricular and extracurricular activities.
2. To offer regular training and exposure to our students so as to help them participate in culture festival effectively.
3. To give a new insight to the concept to education taught to them in a conventional manner.
4. To expose them to the alternative methods of learning and teaching through culture programs.
5. To facilitate better understanding between the students and staff through culture engagements through different programs.

வாவு வஜீஹா வனிதையர் கல்லூரி -"ஒரு முன்னோடிக் கல்லூரி"

மேல்நிலைக் கல்வியும் வாவு S. A. R. கல்வி அறக்கட்டளையும்

கல்விக் கற்றிடல் இருபாலருக்கும் அவசியமாகும் என்றனர் அண்ணலார். சமூகப் பொருளாதார நிலையில் பின் தங்கிய இப்பகுதியில் பெண்கள் தரமான உயர் கல்வி பெற்றிடல் வேண்டும் என்ற உயரிய நோக்கில் வாவு S. A. R. கல்வி அறக்கட்டளை 2005ம் ஆண்டு அல்ஹாஜ் வாவு S.செய்யிது அப்துர் ரஹ்மான் அவர்களால் தொடங்கப்பட்டது. முறைப்படி இக்கல்லூரி 2006-2007ம் ஆண்டு புதிய வளாகத்தில் தனது கல்விப் பணியைத் தொடங்கியது.

தொலை நோக்குப் பார்வை :

தொலை நோக்குப் பார்வையோடு பின்தங்கிய பகுதி மக்களுக்கு உயர்கல்வி வாய்ப்பினை அளிப்பது, எல்லாப் பிரிவு மக்களுக்கும் வாய்ப்பளிப்பது; சிறுபான்மை மக்களின் வாழ்வில் உயர்நிலை பெற்றிடச் செய்வது, தகுதியான பட்டதாரிகளை உருவாக்கி நாட்டின் வளர்ச்சிக்கு உதவிடல், ஒழுக்கமான நம்பிக்கையான மக்களை உருவாக்கிடல் போன்ற நோக்கங்களை நோக்கி இக்கல்லூரி வீறுநடை போடுகிறது.

விழுமிய நோக்கங்கள் :

ஜாதி மத பேதமின்றி பெண்களுக்கு தரமான உயர் கல்வியை வழங்குவது; குறிப்பாக முஸ்லிம் மகளிருக்கு கல்லூரிக் கல்வி பயிலும் வாய்ப்பினை வழங்குவது; மகளிரின் திறமைகளை வளர்ப்பது, அவர்கள் எல்லாத் தகுதிகளும் பெற்று சிறப்பான பட்டதாரிகளாக உருவாக்குவது இக்கல்லூரி நிறுவனரின் நோக்கங்களாகும்.

பயிற்றுவிக்கும் பாடத்திட்டங்கள் :

2006-2007ம் கல்வி ஆண்டில் மூன்று இளநிலைப் பட்டப்படிப்புகள் பி.ஏ. (ஆங்கில இலக்கியம்) பி.காம், மற்றும் பி.எஸ்சி. (கணிப்பொறியியல்) தொடங்கப்பட்டன; 2007-2008ம் கல்வி ஆண்டில் பி.எஸ்சி. (கணிதம்) மற்றும் பி.பி.ஏ. சேர்த்துக் கொள்ளப்பட்டன; 2008-2009ம் கல்வி ஆண்டில் பி.எஸ்சி. (தகவல் தொழில்நுட்பம்) வகுப்பும் 2009-2010ம் கல்வி ஆண்டில் முதுகலைப் பிரிவில் எம்.ஏ.
