Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints. Keeping this in mind the campaign of Tree Plantation Programme was organized on November 19, 2022 by Eco club of Wavoo Wajeeha Women's College in collaboration with the Department of Forest, Thoothukudi. Various kinds of Saplings such as Mango, Jack Fruit, Custard apple, Teak, Rose wood, Mahogany and Almond were procured from Forest Department. Planting trees has been initiated by Dr. V. Rama, M.Sc., M.phil.,Ph.D.,Principal,Alhaj Wavoo S. Seyed Abdur Rahman, President, Haji Wavoo M.M. Mohuthazeem, B.A., (C.S)., Secretary and Haji. Hafiz. Wavoo S.A.R. Ahmed Ishaque, M.A.,Aalim Azhari (Egypt)., Assistant Secretary of Wavoo Wajeeha Women's College in the presence of Ms.KanimozhiArasu, B.Sc., Forest Range Officer, Tiruchendur Forest Range, Thoothukudi Forest Division.

Drip Irrigation is an efficient and economical way to water our gardenis successfully implemented in our college campus by our Management. Eco club members and students from various departments participated in planting 900 trees. Students were encouraged to continuously monitoring and maintaining planted trees in our college.
