REPORT:

On the significant date of 28.08.2021, an enlightening guest lecture was graced by the presence of Mr. Raj Arun. Esteemed as a Technical Trainer affiliated with the prestigious ICT Academy, Mr. Arun captivated the audience with his insights into the realm of "Career Opportunities in Python and Its Applications." Throughout this engaging session, attendees were immersed in an exploration of Python's versatile capabilities and its diverse applications in today's dynamic professional landscape. Mr. Arun's expertise shed light on the ever-expanding demand for Python proficiency in the job market, underlining its pivotal role in shaping the technological landscape. As the lecture concluded, participants were provided with a stimulating opportunity to engage with Mr. Arun through an interactive Q&A segment, delving deeper into the multitude of possibilities that Python offers. Totally **172** students from Information Technology and Computer Science departments were participated and gained knowledge in it.

REPORT:

On October 09, 2021, an insightful Guest Lecture was led by Dr. M. Sujithra, an Assistant Professor specializing in Data Science at Coimbatore. The lecture, titled "An Insight into Data Science," aimed to simplify the complexities of this field. Dr. Sujithra demystified data science, explaining how it involves making sense of large amounts of information to find valuable patterns. Attendees learned how data science impacts our data-driven world and its relevance across different industries. Dr. Sujithra engaged the audience in discussions, making the session both informative and approachable. Totally **172** students from Information Technology and Computer Science departments were participated and gained knowledge in it.
