This is taken up by those arts students who have no access to the basic computer learning within their syllabi. Computer study is rather the air that we breathe or the water that we drink or the food that we eat to maintain our livelihood and computer study can be compared to any of the three essentials of life.

### REPORT:

On September 19, 2022, Mrs. R. Sahaya Jaya Sutha, an accomplished Assistant Professor from Aditanar College of Arts and Science, Tiruchendur, delivered an insightful Guest Lecture on "Medical Image Processing." Her extensive qualifications in B.Sc., MCA, M.Phil., MISTE, SLET, and Ph.D. underscored her expertise in the subject. The lecture shed light on how computer science techniques contribute to medical advancements, enhancing diagnosis and treatment. Attendees gained valuable insights into the fusion of technology and healthcare, making the session both informative and engaging. Totally **226** students from information technology and computer science departments were participants and gained knowledge in it.
