

Education is the key for women to achieve economic independence. **Empowerment** of women can be attained through quality education.

Begun twelve years ago with the desire to serve the young women in the locality, WavooWajeeha Women's College has grown in strength and is grounded in its conviction that a women's greatest asset is her education.

Consequently all activities of our college are geared towards the total liberation and development of the women and for their beneficial. With excellence as its target, quality as its policy and service to the marginalized as its mission, the college is dedicated to the empowerment of women through quality education and the upliftment of the underprivileged with monetary and psychological support.

For the women who are struggling to access education, and for those who want to end educational inequality, Wavoo Wajeeha Women's College emerged as a diamond to the students of this locality.

Conclusion

The good Lord has walked with us through the ups & downs of this academic year. We have been able to realize most of the objectives of our college for this academic year. We are aware that in our journey towards quality education, excellence and service to the society we have miles to cover. Yet we assure that working together, forging forward and trusting in the Lord we will

soon emerge as the centre of excellence
that we dream to be.
