Conclusion

The good Lord has walked with us through the ups & downs of this academic year. We have been able to realize most of the objectives of our college for this academic year. We are aware that in our journey towards quality education, excellence and service to the society have miles to cover. By working together, forging forward and trusting in the lord we will soon emerge as the centre of excellence that are dream to be.

“Education is the movement from darkness to light”- Allan Bloom
