## Institution

Wavoo Wajeeha Women's College of Arts and Science, Kayalpatnam came into existence in the year 2006 - 07 with a noble mission of offering quality education to rural women. It had a modest beginning with three graduate programmes. In due course of time, the college has started showing its mark of excellence in various fields of academic and social activities and thereby it has earned an enviable reputation. At present, the college offers nine under graduate and four post graduate programmes. The college was started by a philanthropist Alhaj. Wavoo S. Seyed Abdur Rahman. Through his tireless social service for the sake of community, he has won the admiration and respect of all. The Founder has a very rich and varied experiences in the matters connected to various fields of administration. Thanks to his dedicated services in different spheres of social life.

## Department of English

The Department of English serves as an elixir of education. It is solemnly cherished by the accomplished records of its academic achievements. It launched its UG and PG courses in the year of 2006 and 2009. The Department offers scholarly programmes to encourage literary minds. It aims to enhance the caliber of the students in their academics, creative and literary skills.

## The Workshop

In the 21<sup>st</sup> century, technological sources have substituted the teaching methods of the olden days. The existing modern trends in ELT are exciting with their activities and practices which get excellent growth and development through the web based teaching and learning. By downloading Web based ELT App, instructors, faculties, as well as students can enjoy their educational environment.

The 21<sup>st</sup> century instructors are compelled to integrate their teaching with modern technologies such as Laptop, computer, mobile phones and so on. The new Android mobile phones are being used among educators which make their education an easy one. In order to fulfill the modern needs of the educators, this workshop focuses on the recent trends in ELT especially through mobile phones as they have the benefit of wireless internet. By following it, the faculty and the students can download various applications for their studies.

The workshop will pave a path to the participants to know about the way of the Web World in ELT. By learning through M-LT (Mobile Learning and Teaching), we can get success in ELT.

ELT via M-LT

## Talent Dahlia-2019

**Wavoo Wajeetha Women's College of Arts and Science, Kayalpatnam**

**Department of English**

**Inter- Department Competition**

***Talent Dahlia 2019***

A journey of a thousand steps begins with a step. To bring out the literary treasures hidden inside our students, the Invincible Armada conducted a new style of Inter- Departmental competition for part –II English students which are named as Talent Dahlia 2019. As English is an international language, it is a birth right of everyone to taste its richness and this mission was accomplished on 24.01.2019 at 10.00 am in the college seminar hall by conducting various colorful competition for part –II students such as Elocution, Poetry Recitation, Literary dance, parade and Tableau. It made the students to think and work beyond the books.

This competition was marked as an epic event in the history of English Literary Association because it motivated the students from other disciplines to inhale the sweet fragrance of literature. Students from the Department of Commerce shot the overall Talent Dahlia Rolling Trophy of the year 2019.

Inter- Department Competition

*Talent Dahlia 2020*

A journey of a thousand steps begins with a step. To bring out the literary treasures hidden inside our students, the Invincible Armada conducted a new style of Inter- Departmental competition for part –II English students which are named as Talent Dahlia 2020. As English is an international language, it is a birth right of everyone to taste its richness and this mission was accomplished on 04.03.2020 at 01.30 pm in the college seminar hall by conducting various colorful competitions for part –II students such as Verse Singing, Tableau, Mono Act. It made the students to think and work beyond the books.

This competition was marked as an epic event in the history of English Literary Association because it motivated the students from other disciplines to inhale the sweet fragrance of literature. Students from the Department of Mathematics shot the overall Talent Dahlia Rolling Trophy of the year 2020.
