REPORT ON REMEDIAL COACHING CELL

2022-2023

Remedial Coaching Cell has always been committed in providing quality education to all its students. With this commitment, it offers consistent support to the slow learners.

The Remedial Coaching is comprehensive, personalized, and taught by experienced faculty to help students struggling with their academic performance. The programme provides additional support and resources to help students improve their grades and meet academic expectations. The program is available to students from all faculties, and it covers all subjects. The faculty works closely with the students to identify their strengths and weaknesses and develop personalized learning plans to address their individual needs.

- To build a strong foundation in the fundamentals of the subject.
- To cover topics in a step-by- step manner, starting with the basics and progressing to more advanced concepts.
- To explain the concepts in alternative language for students from Vernacular background.
- To gain a better understanding of the subject and build their confidence.
- To provide one-on-one tutoring, access to study materials, and extra practice sessions.
- To help students to rein force their learning and develop their skills.
- To improve the grades and pass percentage of all programmes.

Conduct of the Programme:

- ✓ Remedial classes are scheduled in the regular timetable allotted to the student.
- ✓ Attendance is recorded for the same.
- ✓ Class-wise Resultsheet of students is obtained from the Controller's office.
- ✓ The class teachers also help identifying the slow learners.
- ✓ Faculty help in addressing learning gaps by re-teaching basic and core skills to students at their own pace.
- ✓ One to one tutoring takes place with simplified notes.
- ✓ A question bank is provided and students are taught the possible ways of presenting an answer in the exam.
- ✓ Assignments are given and checked on regular basis.
- ✓ Peer learning is promoted.
- ✓ Regular follow-up tests are conducted to validate their performance.

- ✓ Parents are updated about their ward's performance through regular PTMs.
- ✓ Record of performance is maintained for further use.

Thus, The Remedial Coaching Cell has been highly successful in helping low learners to improve their academic performance and develop a positive attitude towards learning.
