SC/ST Cell

Introduction

The two most backward segments of Indian society are known as Scheduled Castes (SC) and Scheduled Tribes (ST). All castes, races, or tribes who have fallen behind in society, the economy, or education are included in this category. The cell was created in order to encourage and help such pupils and integrate them into society. In order to provide SC/ST students in the institution more power, the college's SC/ST cell was established on February 8, 2018. The college pays special attention to assist Government agencies and other sources with providing financial aid to students from these communities. The cell encouraged them to sign up for different training programs that would help them in achieving their professional goals. Different awareness campaigns on various topics have been organized by the cell. Ulavar Scholarship and Pudhumai Pen Scheme should be implemented for the sake of OBC students.

Objectives

- To guide SC/ST students and encourage their participation in academic activities.
- To provide guidance to SC/ST students and assist them successfully in navigating the intellectual and personal challenges of college life.
- To create awareness of the numerous state government and university scholarship programs.
- To establish a procedure for resolving any SC/ST students' complaints
- To ensure a free and secure environment on campus.

Activities

- Collecting reports and data on State Government and UGC directives about all facets of education and employment for SC/ST students.
- Distributing the decisions made by the State Government and UGC on the various scholarship programmes.
- Frequent communication with students.
- Taking the necessary steps to assist students with Public Service Commission single-registration.
- Communicating to the students of SC/ST and encourage them to make better future plans.
